

Best Friends

The Best Friends series features vintage styled illustration of more than fifty common breeds of dog. Pieces in the line are paired with ceramic beads in an assortment of muted colors, and finished with nickel free brass chains and findings. Ear wires may be upgraded to surgical steel for a slight additional cost.

Images are available as earrings or charm necklaces made from glass cabochons mounted in brass settings.

The Divine Iguana donates a portion of the proceeds from the sale of the Best Friends line to various animal rescue organizations. The beneficiary of these funds changes monthly. Check out our blog at www.DivineIguana.com to find out more about our featured organizations or contact us for more information on the rescues we donate to or to ask about how our products could help support YOUR rescue.
