

Found Objects

Trinket Necklaces

\$17 Retail

Simple charm necklaces made from assorted found objects. Pieces may include antique buttons, fuses, keys, pen nibs, salvaged vintage charms, game pieces and more.

Strung from 18" Nickel-free brass chain with lobster claw clasp. Each piece is carded with a pretty embroidery floss closure.

Vintage Toy Necklaces

\$25 Retail (small)

\$35 Retail (large)

Brightly nostalgic necklaces made from vintage and antique tin toys. Small pieces may include miniature race cars, tin butterfly badges, sheriff's badges, small clickers and more.

Large pieces include vintage owl clickers, tin cars, toy turtles, frog clickers and more.

Each necklace is one of a kind with colorful beadwork and matching chains in nickel free brass, nickel plated iron, or gunmetal silver.

Vintage Tin Necklaces

\$35 Retail (small)

\$45 Retail (large)

Elegant necklaces made from vintage and antique advertising tins.

Small pieces may include fuseboxes, Victorian salve tins, antacid tins and more.

Large tins may include typewriter ribbon tins, bullion tins, Candy tins and others.

No Altoid tins or modern reproductions. Most, although not all, tins still open and can be used to carry mementos.

Each necklace is one of a kind with simple beadwork and matching chains. Upcycled vintage chains are used whenever possible.

Found Object Earrings

\$20 Retail

one of a kind earrings made from assorted found objects. Pieces may include pen nibs, watch dials, fuses, antique buttons, ration coins and more. Earrings arrive carded with nickel free brass wires.

Ear wires can be upgraded to surgical steel for a slight additional cost.

Game Piece Earrings

\$17 Retail

Playful earrings made from assorted vintage game markers. Pieces may include Parcheesi, Clue or Chess pawns, Monopoly houses and hotels, Checkers, vintage dice and more. Earrings arrive carded with nickel free brass wires.

Ear wires can be upgraded to surgical steel for a slight additional cost.
